ENTERED HOUSES; TOOK MONEY

Wednesday, the second day of the fair, a man entered houses at Norway Lake. At the house of J. E. Marston he took over \$5, mostly the children's money. Some of it was in a drawer and some in a bank. He shook the pennies out of the bank. This money was largely new silver pieces that the children had been saving.

Marston tells us that he missed seventy-five cents in the room where he searched, and he feels so sorry for him she wishes he would call for it.

Charles Gammon's house was entered and things were overturned and left in confusion. He took from the house \$2 or \$3. Mrs. Mae Price saw a man going across the field and enter Webster Kilgore's house. She called to Sam Kilgore, who lives there and as Mr. Kilgore entered the house the man left but did not return to the highway. Mr. Kilgore did not give the affair into the officer's hands that day.

The man was dressed in a grey suit with grey cap and tan shoes. He had dark hair and smooth face. It is said that a man of that description had been passing new money and had shown a Lincoln penny that he was going to keep for luck. The Marston children had a Lincoln penny and their money was new. It is also said a man similarly dressed was seen at North Norway.

Marcia E. Henry, wife of William R. Henry of Rumford, formerly of South Paris, passed away Saturday evening, Sept. 16th, 1917 after a long illness of two weeks' illness brought on by pneumonia poisoning, terminating in cerebral hemorrhages.

Doctors from both Boston and Portland were summoned and everything possible was done to bring relief, but without success.

The remains were brought to the home of Orin L. Stone, her brother, 3 Tucker street, Norway. Services were held Tuesday forenoon, September 18th at 10:30 A. M. in charge of Rev. Insley A. The flowers from both relatives and friends were many and beautiful, fitting tributes to a life well lived in the service of those she loved and of her Master Jesus Christ.

Two children were given by this union: Margarette and Lester E. Of a sunny and happy disposition, she made many true and fast friends. She was a faithful member of the South Paris Methodist Episcopal Church for many years, later transferring her membership to the Rumford Methodist Episcopal Church, at which time the family have been residing for the past ten years.

All the speakers testified to their high regard for Mr. McWhorter as minister, man, and useful, public spirited citizen, and their sorrow at the termination of his ten years' service, a long period for a pastor in these days. In responding briefly, Mr. McWhorter said he was half as good a man as he had been pictured by the several speakers, and expressed his appreciation of the many kind things that had been said of him.

PLAIN QUESTIONS TO NORWAY PEOPLE

Every Norway Reader Will Admit the Soundness of the Logic

Would Norway people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

C. E. Bradford, prop. of the laundry, Main St., Norway, says: "For some time I had a dull pain through the small of my back, together with a tired feeling. I couldn't rest well. When a friend advised me to take Doan's Kidney Pills I got a supply at F. P. Stone's Drug Store. After I used two boxes, the pains and other symptoms disappeared and there was a great improvement in every way. I have had no kidney trouble since."

(Statement given April 30, 1912.)

On June 6, 1916 Mr. Bradford added: "I still have confidence in Doan's Kidney Pills as it hasn't been necessary for me to use a kidney medicine since I took them."

SURELY WORTH WHILE GO TO IT

Wishing And Having

You all know how Aladdin in "Arabian Nights" became possessed of a wonderful lamp, on rubbing which a Genii would appear and execute his slightest wish. One day he rubbed the lamp and when the Genii appeared said, "Bring me the Greatest Thing in the World!" The Genii disappeared and soon came back and presented Aladdin with a PLAYERPIANO.

You do not need the Wonderful Lamp to enjoy the Greatest Thing in the World. We have for you an instrument that is first of all a perfect piano—perfect in tone, perfect in touch and perfect in action. And furthermore a perfect player.

It is yours on our simple sales plan. Why wait? Do not deprive yourself of all the pleasure and fun which a Playerpiano in your home will bring abundantly.

It enables you to play just what you wish to play and just when you feel most like playing it! See how simple it is to operate and think what an addition it will make to your home. Come in this very day and have one for your own!

Send for catalogues of our pianos and playerpianos and what is better—come and see them.

Corn Pain Stopped Quick

Corns Lift Right Off With "Gets-It"

Blessed relief from corn pains is simple as A B C with "Gets-It". When you've been limping around for days trying to get away from a heart-drilling corn or bumpy callus, and everything you've tried has

only made it worse, and then you put some "Gets-It" on and the pain ceases right away, and the corn peels off like a banana skin. Isn't it a grand and heavenly feeling?

"Gets-It" has revolutionized the corn history of the world. Millions use it and it never fails. Ladies free feet. We old fellows and young fellows forget our toes and feel frisky as coits. Everybody "It". We will all walk about and enjoy ourselves as we did without corns. Get a bottle today from your druggist, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill. See it all you need to pay.

He is Puzzled

Sometime ago our Advertising Man requested us to send him a Blue-Serge Suit for inspection,—we forwarded one—see what he says about it.

To the People of South Paris and Vicinity:

Sometime ago I received from Eastman & Andrews a Blue Serge Suit for inspection. It is a beauty without question, the material is fine, smooth and very soft. Every button hole is made with silk and every button is perfect and sewed fast. Seams are strongly stitched and the suit is perfect fitting. They give me no price on the suit and as they have five grades it is almost impossible to state the price BUT I should say \$20 may be the price. Call at store and see one of the Suits, see if I am anywhere near right. Having obtained some of my Advertising experience around South Paris, you may be interested to find out how near I can come to the price of a good suit. Just for curiosity just call in and get the price. It will cost you nothing to ask or look.

RESOLUTIONS OF RESPECT.

Again the swift and silent messenger has entered Norway Grange and taken one of our most loved younger sisters, Hattie Delano. While quiet in her ways, she was always ready and willing to take part in every thing in the Grange and the community in which she lived. Her sweet disposition and lovable manner toward all men have been remembered by us as a grange, therefore be it resolved, that we as a Grange have lost a most worthy member and that we as a body deeply sympathize with the bereaved husband and family in their great loss, and bid them look ahead to the never-ending reunion beyond.

Resolved, that a copy of these resolutions be sent the family, a copy sent to the Norway Advertiser for publication, and that they be spread on our records.

H. D. SMITH,
President, Norway Grange.

LOCKE'S MILLS.

The following letter has been received from a friend of the Boy Scouts at Locke's Mills:

"As a friend I want to say a few words in praise of Mr. Arthur Stowell, the assistant scoutmaster of the Boy Scouts in Locke's Mills. Mr. Stowell has 'kept things on the jump' as the boys express. He was the means of raising money for the treasury and the local 'Liberty Bond campaign' was headed by him, also the 'Scout' Garden campaign." He has many fine ideas some of which have been carried out. Although the boys are very grateful to him, they do not realize what an active young man they have with them. There are reasons why the troop in Locke's Mills is a 'crack troop'."

The Oxford North Agricultural Society held their 33rd annual fair and cattle show on the society's grounds at Andover, Wednesday and Thursday, Sept. 19th and 20th. The officers were: Y. A. Thurston, Andover, president; R. B. Stratton, Rumford Center and C. T. Poor, Andover, vice presidents; John F. Talbot, Andover, secretary; Matthias Moon, Andover, Treasurer. On April 17, 1884, when John A. Hodge Post, No. 71, G. A. R. was organized, he was one of the charter members and has always held a prominent office in the organization. He also was one of the charter members of Canton Encompassment and has held the office of Noble Grand and other responsible positions in the order, and was a member of the Grand Lodge of Maine. For many years he was a member of the old Canton brass band. At an early age he learned the carpenter trade and worked at that vocation until failing health compelled him to retire from active life.

A pleasant occasion was the gathering of a few friends at the home of Mr. and Mrs. P. Leslie Walker, Monday evening in honor of Mr. and Mrs. Gerald Bonney, who have just closed their labors with the Canton United Baptist church. Vocal and instrumental music was enjoyed and refreshments served. She has Guernsey herds while at her West-ox, Mass., farm she has Jerseys and likes one about as well as the other. She has from 70 to 80 White Wyandottes that are laying more or less eggs daily.

The Androscoggin Fair Association at Canton got under way in litigation and debt and concluded not to make an exhibition this year so the Andover people took the dates assigned them after their premium list had been printed. This accounts for wrong dates in that pamphlet.

J. P. Talbot has been secretary of the society for the past 32 years and is still active in his duties.

CANTON.

Robert Swett
Early Tuesday morning Robert Swett died at his home on Pleasant street, at the age of 85 years. Although he had been in feeble health for several years, he was able to ride to the village and attend many public gatherings, but he became seriously ill Monday afternoon and failed rapidly until his death. He was a native of Madrid, a son of Davis S. and Amelia Plummer Swett of that town. He also resided in Weld, Brunswick and Massachusetts for several years, but since 1854, he has been a resident of the town of Canton.

In 1856 he married Luzerne Jones of this town, to whom five children were born: Herbert and Harriet H. Swett of Canton, Mrs. Lizzie P. Hutchins and Clifton E. Swett of Portland and Chas. R. Swett of Canton. Since the death of his wife, Mr. Swett has spent his time with his children, who have tenderly cared for him during his declining years. Besides his five children, Mr. Swett is also survived by nine grandchildren and several great grandchildren.

An event which Mr. Swett always liked to recall was the observance of their golden wedding anniversary in 1906 when all the descendants were gathered under the ancestral roof. Mr. Swett enlisted in the 12th Maine Regiment in the Civil War in 1863, under Col. William Kimball of Paris and served two years and seven months, receiving an honorable discharge and commendation for faithful service. On April 17, 1884, when John A. Hodge Post, No. 71, G. A. R. was organized, he was one of the charter members and has always held a prominent office in the organization. THE DEFEATED MAINE SUFFRAGE

Declaring that the special State election Monday, 70,000 Maine men who favor suffrage failed to vote on account of the suffragist picketing in Washington, Congressman I. L. Hersey of Maine in an impassioned speech denounced the defeat of suffrage in his own State. While attributing the defeat of equal suffrage in Maine to the persistent picketing by the suffragists in Washington, Mr. Hersey at the same time paid a high tribute of praise to the courage which they show.

"I have watched pickets at their post of duty serving with a courage of Joan of Arc," said the Maine congressman. "Their motives are the highest, they are living statues, erect, brave and courageous, holding banners inscribed 'Kaiser Wilson,' I have for these women the utmost respect, but they defeat the cause of suffrage."

Mr. Hersey added that the men of Maine are loyal to the President and do the ultimate triumph of suffrage in Maine.

Bear Mountain Grange

Bear Mountain Grange No. 62 met in regular session Saturday evening, Sept. 15, with worthy Master Harold S. Pike in the chair. There had been no meeting since that of August 18th, owing to doubt to the need of a vacation by both members and officers.

The worthy lecturer, C. S. Hamlin, read a communication from state master W. J. Thompson regarding the need for farmers to save seed for another year, at least enough for their own use.

During an open session a short program was given consisting of readings by members and songs by Alice Kneeland and Mabel Bell under the leadership of W. W. and Flora Abbott. After this there was general discussion of the good times had at past Field Days and the advisability of holding one this year. Everyone favored the continuance of the custom and there will be one held at Grange Hall, October 20th. The committee on arrangements are C. S. Hamlin, W. W. Abbott, G. H. Hilton, G. W. Sias and E. K. Kilgore.

Sister Clara Bell was reported as improving slowly under present treatment at Portland.

HARKEN BACK ON THE PAST

Twenty-four Years Ago This Week

Percy Farrum of Harrison is clerking

for Merritt Welch.

J. E. Budden, the tailor, is doing a

good business cleaning, pressing and re-

pairing clothing.

Freeland Howe has moved his insurance

office downtown and Harry Lane,

tailor, who occupied the down stairs store,

has moved upstairs.

The corn shop will stop canning corn

next week and will then commence to can

apples for a while.

The college students have returned to

Waterville. Verne M. Whitman, Free-

land Howe, Jr., Annie Richardson and

Lilla Hazelton have one more year at

Colby. Newhall Jackson enters the same

institution this fall. Walter Whitman

goes to Westbrook Seminary preparatory

to entering Tufts College.

The following changes have been made

in the routes of popular conductors on

the Grand Trunk. J. Pratt will run the

Lewiston trains; Fickett and D. Pratt,

the through passengers; Garland and Stow

the express; and Stow and Hodg-

kins the morning and evening trains.

A. H. Boukin has run a room formerly

through the center of the room partition

occupied by the Atkinson House Furnish-

ing Co. On one side are four living

rooms and the other is a dining room.

The bakery is down stairs in the base-

ment.

Editor of Advertiser: Mr. C. F. Mil-

lett of Auburn, a former well known Nor-

way citizen and myself, last Thursday

forenoon, went into the Pike Hill bury-

ing ground. Five soldiers of the Revolu-

tion, Ebenezer Cobb, Ebenezer Whit-

marsh, Dudley Pike, Nathan Noble and

Joseph Gammon, buried there have grave

stones. It states on those of the first and

last that they were soldiers in the Revolu-

tionary War. But only one, Ebenezer

Cobb's, was decorated with the flag. By

the next Memorial Day the other four

should be similarly decorated.

We noticed that the graves of Gen.

William Parsons and Mrs. Sarah Delphina

Parsons Hawkins were thus decorated.

As we approached the lot Mr. Mil-

lett facetiously remarked "What battle

was she in?"

The military history of the town does

not show that General Parsons was in

any war, although in the family statis-

tics the Centennial History states that

he served as a general at the age of 26

in the war of 1812. He was promoted

from Captain to Major in the militia in

1815 and afterwards attained the rank

of Brigadier General.

There are many unmarked ancient

graves in this burying ground. Among

them is that of Daniel Knight, a Revolu-

tionary soldier, and I think also the

grave of George Lesley, who served a

period in that war and was the second set-

tler in what is now the town of Norway.

Mr. Millett who knows more of an-

cient Norway history than any man now

living, pointed out to me the unmarked

graves of Daniel Holt, one of the first

blacksmiths in the village (the 3rd) and

his wife. There ought to be some endur-

ing mark to identify them.

Sept. 17, 1917. C. F. Whitman.

Mrs. Anna M. Farwell of Brockton,

Mass., was a recent guest of her cousin,

Mrs. A. E. K. Grover. She also visited

relatives in Harrison and South Paris.

Philip Stuart, wife and four children

visited Mrs. Flora Stearns while here.

They all motored to Bolster's Mills and

were luncheon guests of Mrs. Stearns'

daughter, Mrs. Geo. Skilling and family,

Sunday. They returned to their home in

Gorham, N. H.

Mrs. Flora Stearns returned to Port-

land, Monday, for a few weeks' stay.

Mrs. Sarah Wheeler is visiting her

daughter, Mrs. Cleve Goodwin and fam-

ily.

The ladies of the Universal Circle will

serve their annual harvest dinner and su-

per Tuesday, Sept. 25. A good old fash-

ioned harvest dinner and supper will be

given.

Word was received Saturday of the se-

rious condition of Wade Davis of Penn-

sylvania, who has suffered a shock, and

one side is completely paralyzed. Mrs.

Davis will be remembered as Florence

Horne, daughter of Mr. and Mrs. John

F. Horne of Portland, formerly of Nor-

way.

Robert Dennison of the Medical Divi-

sion stationed at Framingham, Mass., ex-

pects to start for France this week.

Mr. and Mrs. Harold Ogden of Spring-

vale, who are on their wedding trip, were

recent guests of Mildred Curtis.

Mr. and Mrs. Howard Maxim and Mr.

and Mrs. Fred Brown went to Boston by

auto the first of the week for a few days.

Samuel H. Hayden and family have

returned to Haverhill, Mass., after spend-

ing the summer at their cottage at Lake

Pennesseewassee.

N. E. Carroll, wife and daughter, Ruth,

and Geo. L. Curtis and wife inspected

New Hampshire mountain scenery re-

cently from an auto. They went through

Bethel, Gorham, Pinkham Notch, Frye-

burg, North Bridgton and Waterford.

The trip was much enjoyed.

Pelouquin-Katron Match Next

Fran Stairs will stage another wrest-

ling show in Norway Open House, Sat-

urday evening, Sept. 22.

The main bout is the result of an open

challenge given by Pelouquin of Berlin, N.

H. champion welter weight of that state.

Soldier Katron of Port Leavitt, through

his manager, Sergt. John C. Collins, has

accepted the proposition at the following

terms, best two in three, purse \$50, win-

ner to take all.

Katron is an old gamester, having a

gold medal as welter weight champion of

Iowa in 1909. Both wrestlers will make

140 pounds and the match will undoubtedly

prove one of the best offered here.

Johnnie Aspinall of Norway, the

strong Swede, will go up against Homer

King of Island Pond, Vt., in the semi-

final while the two local bantams,

"Smoker" Payne and "Wild Bill" L-

Lederer are to scrap again for a decision

in the preliminary show. This is a strong

athletic bill and there should be some

sport right through.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic, free from alcohol or any harmful drugs. Try it.

Scott & Bowne, Bloomfield, N. J.
